2024 AACBT National Conference

17-18 October 2024 (*scientific program*)

Royal on the Park, Brisbane, Meeanjin, Qld

The Australian Association for Cognitive and Behaviour Therapy (AACBT) is a not-for-profit multidisciplinary association for health professionals with an interest in research and the application of established and emerging evidence-based Cognitive and Behaviour Therapies (CBT). The broad mission of the AACBT is to help professionals reduce the burden associated with mental illness.

The 44th AACBT National Conference will be held at Royal on the Park (Brisbane, Qld) as a face-to-face event.

Several sponsorship opportunities for promoting your company whilst contributing to the overall success of the 2024 National Conference and the mission of the AACBT are available.

Supporting the 2024 National Conference will promote your company to more than 200 allied health and medical delegates and exposure via our 9,000+ subscriber newsletter list, nationwide. We anticipate that sponsorship of this important event will provide substantial networking opportunities for sponsors and advertisers, both in industry as well as in local and regional tourism.

Our Sydney conference in 2023 had over 300 delegates from all Australian States and Territories. Our conference delegates range from early career to experienced researchers and clinicians.
